## Private Label Processing Information

### GENERAL INFORMATION

#### Set Up & Charges

- \$200 initial set up fee
  - Charged one time to create labels and submit all label paperwork to USDA
- \$65 per head private label charge
  - This is for labor of stickering every ground bag, if you purchase/provide custom printed bags from UltraSource, this fee is waived.
    - Current turn around time for printed bags is 10-12 weeks so order early if going this direction.

#### Logo

- Logos work best if they are vectorized, otherwise they can become grainy
- Simple logos work best as they are small
- Logos will print in black and white
  - If you would like a color, we can connect you with a company to pre-print color labels that fit our machine
  - Once a color logo is designed and approved it is typically 7 to 10 business days for shipping to our facility

#### Special Claims

- Special Claims such as “Angus”, “Grass Fed”, “Organic”, “Pasture Raised”, “Kansas Beef” (and several others) must be approved by the USDA and supported with documentation.
  - We will connect you with Chaz, who specializes in labels, will help you get this approved. This process takes A LOT OF TIME so plan accordingly when scheduling beef.

#### Label Requirements

- All Labels are required to have the following information for submission
  - "Prepared for (wholesale name)"
  - Address associated with the business
  - USDA inspection bug
  - Safe handling instructions somewhere on the package when applicable\*
    - On Custom Printed bags this in on the back
    - On our labeled bags this will be on the printed label
    - Ready To Eat Products (jerky) will not have safe handling
